

I support media diversity

I am writing to you today to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules. I believe it would be a serious mistake to modify the rules to allow greater concentration of media ownership. As it is, there are too few independent sources of news. What has happened in radio and newspapers should not be allowed to happen in television.

Thank you,

Robert G. Ford
